7	<p>Maintenance</p> <p>7.1 Conventional area: the consensus was that the pedestrian mower should be used to cut the Children's area & the rows of the adult & cremated remains areas that were in use or that would be used first.</p> <p>7.2 Natural area: The Clerk informed the meeting that this area needed to be treated as though it was a hay meadow, e.g. leave it to grow, cut it down in Aug/Sept, leave the cut grass for at least 3 days, then remove it [preferably by raking]. This was to prevent it decomposing & thus feeding the new grass growth which then grow strongly & out-compete wild flowers. The meeting felt this was a good idea.</p>	<p><i>Cllr Harris informed meeting that he hasn't been cutting children's area + never intended to - jro</i></p> <p>Clerk <i>dit's asked</i></p>
8	<p>Signage</p> <p>Cllr Bradley informed the meeting that she felt that 2 signs were needed to direct visitors to the cemetery. One at the entrance to the car park & the other to be visible from the car park, pointing down the footpath. The consensus of the meeting was that this would help visitors & should be looked into.</p>	<p>Cllr Bradley <i>on agenda</i></p>
9	<p>Date of next Meeting</p> <p>The next meeting would be on 28th January 2013 at 7.30pm in The Pavillion.</p>
