Planning Application PA/2017/803 was considered and it was agreed to register no comment on the application. The meeting was then joined by two members of the public resident in Normanby and Cllr Allison suspended Standing Orders to allow them to address the meeting.

Concerns were raised about the application primarily on the grounds of the post-construction environmental impact of the proposed development on wildlife and questions raised about the adequacy of the applicants' supporting evidence in that respect. Cllr Allison responded that the Council's decision to register no comment reflected its position in representing the interests of all parishioners equally, including those who would support the application.

Standing Orders were resumed and Cllr Allison closed the meeting at 7.15

Signed as a true record.
